## EDITING REDEFINED:

Now you can change your video as easily  
as you change text in a word processor.

# EDIT LIKE A GOD!

Create your project in your own way: some like to hold  
the mouse and carve their footage like Thanksgiving dinner,  
others like to sit back and tell the editor what to do.

- Up to 4 hours of footage instantly available
- Every splice adjustable (shorter or longer!)
- Ideal for video features, series, music videos, commercials...

## Yes, you can afford the Avid!

Lowest-priced Avid® digital nonlinear editing system in the Bay Area--  
a fraction of San Francisco prices! (Rates on other side.)

24-hour facility in beautiful Sausalito!  
Lockout available (leave your stuff)!  
On-line video house just up the hall!
